

In the battle against the shadows of despair and self-doubt, there stands a guardian of unwavering optimism and empathy, known as a Hero for Hope. This hero is a beacon of hope in the field of suicide prevention, embodying resilience, compassion, and an unshakable commitment to saving lives and nurturing the human spirit. Please join us tonight in recognizing some very special Heroes for Hope!

Suicide Prevention Coalitions

What is a coalition?

They concentrate the community's focus on a particular problem, encourage alliances, and create consistency in the community's approach to the root causes of suicide. Together, members of a coalition can do more to reduce suicides, support grieving families, and inspire change in the world around them than if they work by themselves.

Want to get involved in a local Coalition?

Coshocton-4th Wednesday of the month at 11a at Allwell BHS/virtually

Guernsey-Noble-4th Monday of the month at 4:30p -location varies/virtually

Morgan-1st Monday of the month at 11a virtually

Perry-3rd Tuesday of the month at 1pm at the New Lex PD/virtually

Information on all Coalitions can be found at: www.mhrs.org

17TH ANNUAL
SUICIDE AWARENESS BANQUET

Heroes for Hope

KEYNOTE SPEAKER:

SCOTT LIGHT

LIFE SIDE OHIO

Thursday, April 25, 2024

Coburn United Methodist Church
3618 N Maple Ave
Zanesville, Ohio

(Across the Street from the Colony Square Mall)

In partnership with The Ohio Suicide Prevention Foundation, Life Side Ohio is a groundbreaking effort that's never been done before in Ohio. After researching best practices of similar campaigns in states like Missouri, Utah and New Hampshire, Life Side Ohio has launched a mission to reach gun owners in all corners of the state and from all walks of life.

Our pillars of outreach begin with 3 broad, firearms communities: retailers, veterans, and public safety. We hope and fully expect subsets of communities to form as the campaign grows. We're *united for life*, because without life, there's loss and grief.

Scott Light and Life Side Ohio will share their mission and passion with us and show us how to help further their message of prevention and awareness.
